

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

PUBLICATIONS OF THE TORREY BOTANICAL CLUB.

(1) BULLETIN.

A monthly journal devoted to general botany. Vol. 26 published in 1899 contained 659 pages of text and 23 full page plates. Price \$2.00 per annum. For Europe 10 shillings. Dulau & Co., 37 Soho Square, London, are agents for England.

As the supply of several of the volumes is limited, libraries desiring to complete their files should apply at once. Yearly volumes 1-5 (1870-1874), One Dollar each. Vol. 6 (1875-1879), extending over five years, is furnished at the subscription price of Five Dollars. Vols. 7-16 (1880-1889), can only be had complete in orders for full sets.

Vols. 17-25 (1890-1898), are furnished at the published price of Two Dollars each, except Vols. 18 and 21, which can be had only in orders for full sets.

Single copies (20 cts.) will be furnished only when not breaking complete volumes.

(2) MEMOIRS.

The subscription price is fixed at \$3.00 per volume in advance. The numbers can also be purchased singly and an invariable price is fixed for each.
